

**T**he music week at Koppelsberg! After a one-year break we are back with a new edition of the Koppelsberger Music Camp – and this time with international participation. Particularly youths and young adults are invited not to miss out on this week full of grooves, sounds, rhythms and songs. If you are able to play an instrument or if you like to sing, if you want to express your language through music, and if you are keen on making music with others – then it's your Music Camp!

## What's going on at the Music Camp?

Workshops on various subjects will take place in the mornings. There are parallel offers, from which you choose each day the one you are most interested in: e.g.

- percussion grooves
- vocals
- song writing / song texts
- arrangements
- instrumental workshops
- sound engineering / recording
- rock/pop history

and others

In the afternoons and evenings we will focus on playing together in bands. On the one hand there are coachings for the already existing bands, on the other hand new ensembles are formed, to practise and rehearse songs and grooves. Moreover there is the possibility to sing in a choir. At the end of the four days we bring everything we have worked out on stage at Koppelsberg for the final concert of the Music Camp.

## And where is Koppelsberg?

The Music Camp will take place at Koppelsberg (Plön in Northern Germany, between Kiel and Lübeck). Here we have lots of accomodation facilities, rooms for rehearsing and having a good time, plenty of equipment and above all our recording studio, where some of the Music Camp's workshops will be held.

## Whom are you going to meet?

First of all lots of nice people, who take part in the Music Camp international just like you. We expect participants from Germany and from the Baltic Sea countries.

Then there are of course also the ones, who are experts in music, and the coaches, who conduct the workshops and rehearsals:

- Miriam Buthmann / Hamburg (pianist, singer, songwriter)
- Ingo Hassenstein / Hamburg (guitarist, arranger)
- Peter Horst / Henstedt (drummer / percussionist)
- Jan Keßler / Hamburg (sound engineer, guitarist)
- Jan Simowitsch / Bad Segeberg (pianist, pop-churchmusician, composer)

and others

The general coordination of the Music Camp international is in the hands of Hartmut Naumann (Popular Music Department of NEK) and Bernd Witzke (Northelbian Youth Department)
